

WIJADI RESOURCES SDN BHD

Company Profile

COMPANY PREFACE

Since our establishment in 2004, Wijadi Resources Sdn Bhd has been committed to delivering exceptional services to our valued clients. Wijadi originally began as a specialization in Mechanical & Electrical services has now evolved into a comprehensive range of construction solutions.

In 2015, we further expanded our capabilities to include design, earthworks, infrastructure works, building works, general mechanical & electrical services, special LED lighting, street lighting management systems, and all related ancillary services. As a 'ONE STOP SOLUTIONS' provider, we ensure that our clients' objectives are consistently met.

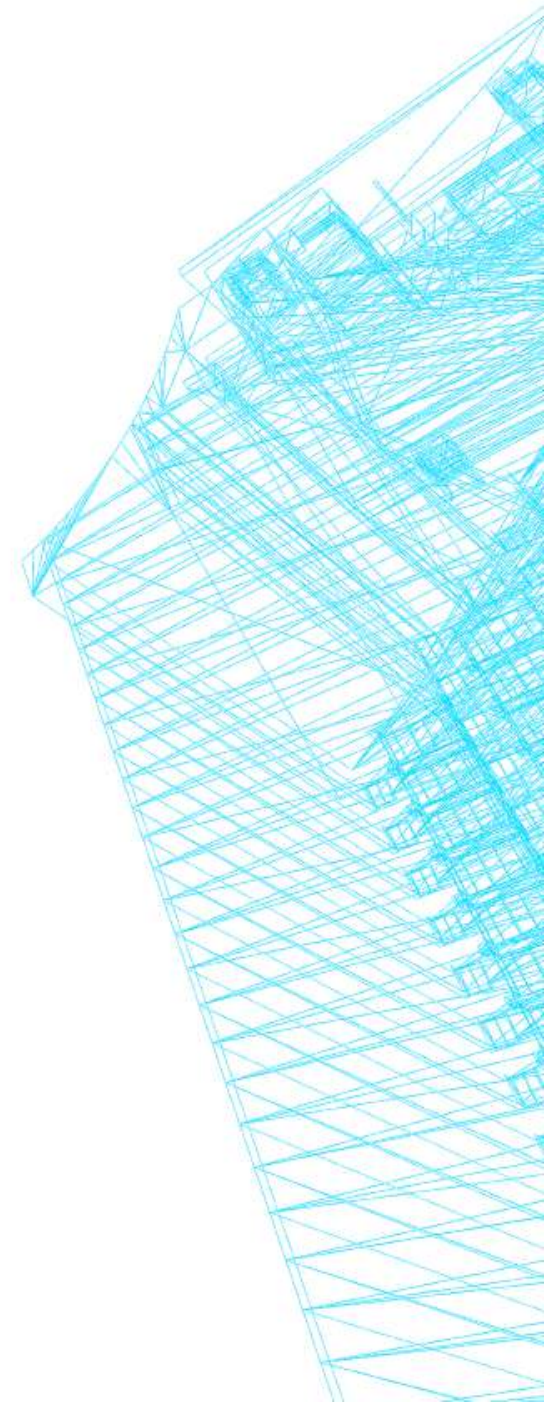

In addition to our extensive service portfolio, we take pride in being an approved contractor by local authorities in Malaysia such as TNB and TM, enabling us to undertake utilities services. This recognition further strengthens our commitment to delivering high-quality results.

We are dedicated to enhancing our capabilities by adopting new technologies and implementing sustainable practices. We continually strive to surpass our clients' expectations and contribute positively to the construction industry in Malaysia.

“Commitment & Delivery” is Wijadi all-time Motto in business.
