DIRECTOR'S PROFILE

**NIK MOHD RAFIZAN
BIN NIK RASHID**

Nik Rafizan manages Lightxpert's finance, administration, documentation, payment coordination, internal records, and office management. His role supports the company's operational stability and ensures every project is backed by proper structure, records, and internal coordination.

Nik brings experience from hospitality, sports management, administration, and motorsports coordination. His previous involvement in local and international-scale event environments has strengthened his ability to manage documentation, internal processes, coordination, and backend operations within the company.

Expertise:

Finance Administration | Documentation | Office Management | Payment Coordination | Internal Process Control

FINANCE & ADMINISTRATION DIRECTOR

**AHMAD RIDZWAN
BIN MANSOR**

Ridzwan Mansor is the Founder and Managing Director of Lightxpert Malaysia Sdn Bhd. He leads the company's strategic direction, business growth, client relationships, and overall production standards.

Ridzwan began his journey in the event industry in 2012 and later established his own production brand, Lightxpert Production, in 2019. Through years of hands-on involvement in corporate events, government functions, weddings, concerts, and large-scale productions, he has developed strong experience in project leadership, AV planning, client servicing, and on-site event execution.

Expertise:

Business Strategy | Event Production | AV Solutions | Client Relations | Project Leadership

FOUNDER & MANAGING DIRECTOR

**SAIFULLAH IQBAL
BIN RUSLI**

Iqbal Rusli oversees Lightxpert's technical preparation, event operations, crew coordination, equipment readiness, logistics, and on-site execution. He ensures every project runs smoothly from warehouse preparation to venue setup, show operation, and dismantling.

Iqbal has been involved in the entertainment and event production industry since 2004, with experience in concerts, award shows, large-scale ceremonies, and live productions. His background includes technical involvement in events featuring local and international artists, as well as major productions such as MTV Asia Awards, Anugerah Era, Akademi Fantasia, and the 2017 SEA Games.

Expertise:

Technical Operations | Lighting Production | Crew Coordination | Event Setup | Site Execution

TECHNICAL & OPERATIONS DIRECTOR

MEET THE TEAM

NUR AIN BINTI MOHD BADRULZAMAN
CREATIVE & BUSINESS SUPPORT EXECUTIVE

Ain Badrulzaman supports the Managing Director and the team through creative, administrative, and daily business support. Her role includes assisting with design works, social media updates, sales support, office coordination, and general operational tasks.

She plays an important role in keeping internal tasks organized while supporting the company's branding, communication, and day-to-day workflow.

Area of Expertise
Creative Design | Social Media Support |
Sales Support | Executive Assistance | Office
Coordination | Administrative Support

SAYFUN AQBAR BIN RUSLI
LIGHTING PROGRAMMER & TECHNICIAN

Sayfun Aqbar bin Rusli is part of the lighting production team at Lightxpert, responsible for lighting programming, lighting setup, and lighting troubleshooting for various event productions.

His role involves preparing lighting fixtures, setting up stage lighting, handling cabling and signal flow, programming lighting scenes, and ensuring the lighting system runs smoothly throughout the event. With hands-on involvement during setup, showtime, and dismantling, Sayfun plays an important role in creating a strong visual atmosphere while maintaining technical reliability on-site.

EIZZUL SHAHMI BIN UJANG
JUNIOR AUDIO TECHNICIAN

Eizzul Shahmi bin Ujang supports the audio production team at Lightxpert Malaysia Sdn Bhd through sound system setup, speaker placement, microphone preparation, cabling, and on-site audio support.

He is also able to operate analog mixers at a junior soundman level, giving him practical understanding of live sound workflow, basic mixing, signal flow, and line checking. His role is important in assisting the soundman during setup, soundcheck, event operation, and dismantling to ensure the audio system is properly prepared and ready for smooth event delivery.

MOHD RIZWAN BIN RANI
LED & VISUAL SYSTEMS OPERATOR

Mohd Rizwan bin Rani is responsible for supporting and operating LED and visual systems. His role covers LED screen setup, Resolume operation, Novastar processor setup, video signal routing, switcher operation, and visual troubleshooting during event preparation and show operation.

With practical experience in visual system workflows, Rizwan helps ensure every LED screen, live feed, presentation, and video playback setup is properly configured, stable, and ready to deliver clean visual output throughout the event.

MUHAMMAD FARHAN BIN ABD. RAHMAN
JUNIOR VISUAL SYSTEMS OPERATOR

Muhammad Farhan bin Abd. Rahman supports the visual production team in LED screen setup, basic Resolume operation, Novastar setup assistance, switcher support, and visual troubleshooting.

As a junior visual systems operator, he works closely with the lead visual operator during equipment preparation, screen installation, cabling, signal checking, testing, and event operation. His role helps strengthen the visual team's workflow and ensures LED displays, video playback, and AV display systems are prepared efficiently for each event.

MOHAMAD RASUL BIN MASYHURI
PRODUCTION LOGISTICS CREW

Mohamad Rasul bin Masyhuri supports the operations team through production logistics, equipment transportation, and event setup assistance.

His role includes overseeing and maintaining company vehicles, transporting sound, lighting, LED screen, staging, and AV equipment safely to event venues, as well as assisting with loading, unloading, setup, and dismantling. In event production, reliable logistics are critical, and Rasul helps ensure equipment movement is handled properly, delivered on time, and ready for the technical team to begin setup smoothly.
