Your Business, Our Canvas. Your Vision, Our Sign. Sign Made Simple, Impact Made Strong.

EUREKA SIGN COMPANY INTRODUCTION

Eureka Sign is a full-service, project-based signage company located in Kuala Lumpur, Malaysia, with over 25 years of manufacturing experience. We boast a dedicated design team and an incorporating manufacturing facility.

The mother company of Eureka Sign, Broadway Sign, was founded in 1995 and mainly specialized in apartment and condominium projects. In 2007, Eureka Sign took over and begun its endeavour into focusing on advertising signage, growing and expanding to then evolved to its present position as one of the leading signage manufacturers in Klang Valley.

We have proactively sought new technologies & opportunities to stay forefront of our industry. Our culture is rooted in continuous improvement, a value that is evident in both our workplace environment and the manufacturing processes, which have become integral to the success of our business. We believe that any form of signage has to have the prominence and care it deserves. Quality of workmanship and client delight is our drive to deliver value-oriented products to satisfied customers.

ABOUT US

EUREKA SIGN MISSION & VISSION

MISSION

To design, build, and deliver standout signage solutions for retail and property developments — combining precision, creativity, and durability to enhance every client's visual identity and space.

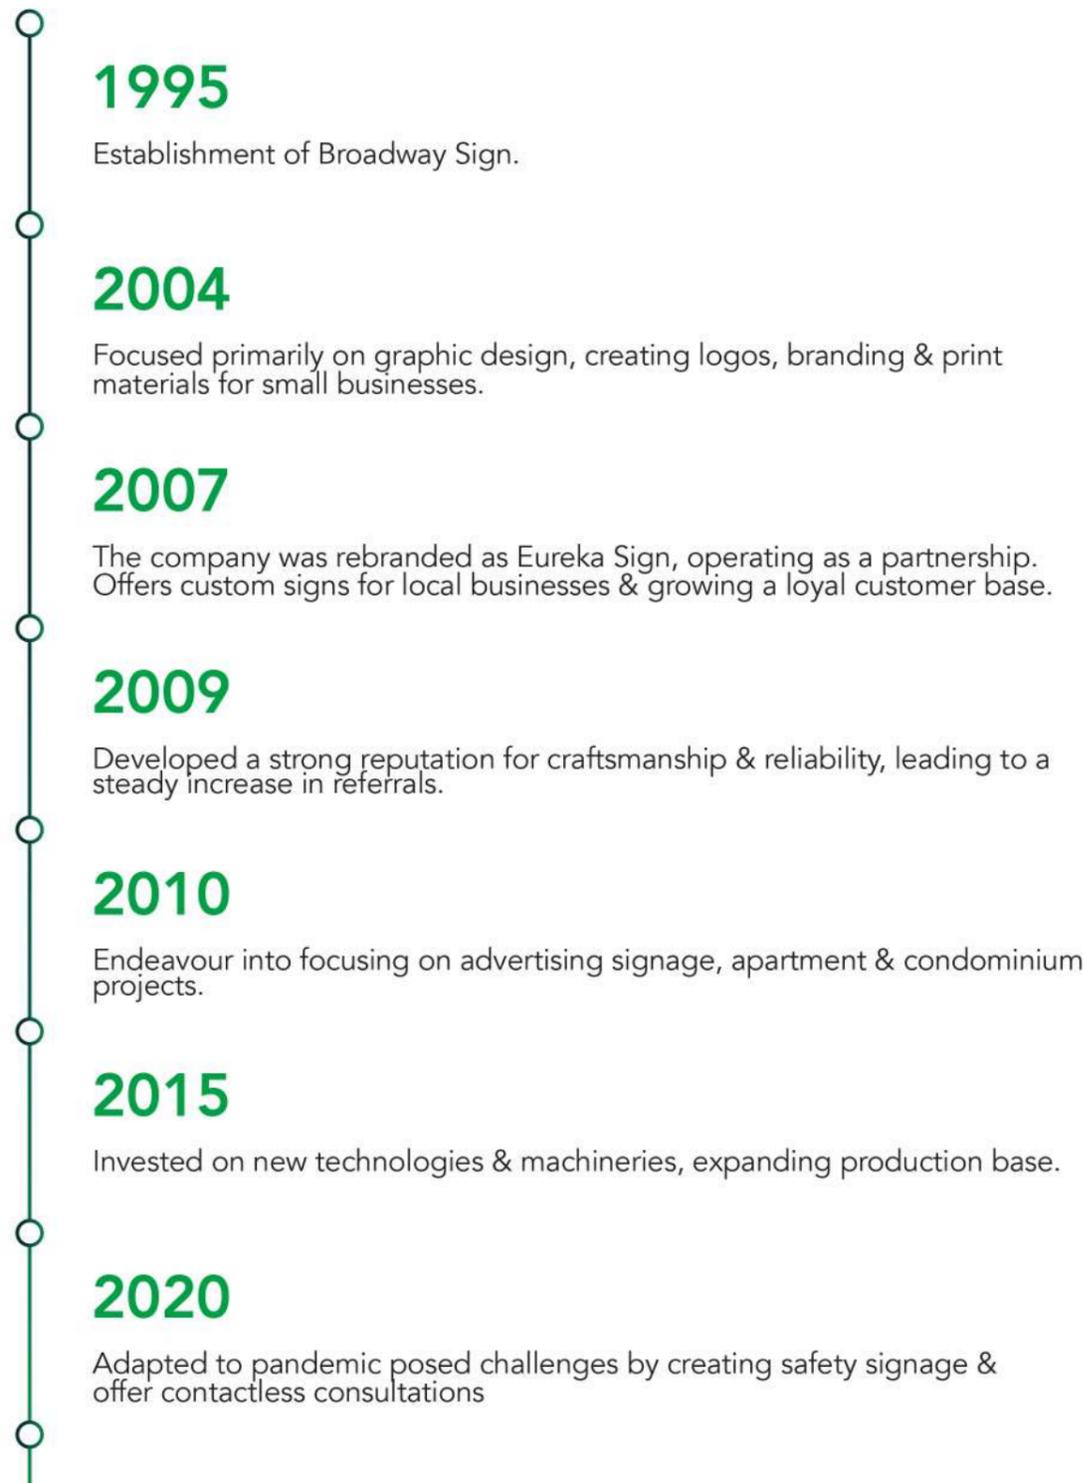

VISSION

To be Malaysia's trusted signage partner for retail and property projects — leading in quality, reliability, and design innovation across pylon structures, wayfinding systems, and brand signage.
