1. COMPANY INTRODUCTION

Rizal Trophy Sdn. Bhd. is a Malaysian company specializing in the supply of trophies, medals, plaques, crystal awards, commemorative items and customized recognition products. The company serves a diverse customer base comprising corporate organizations, government agencies, educational institutions, sports associations, event organizers and private-sector clients.

The company provides a range of recognition and presentation products for sporting competitions, corporate functions, appreciation ceremonies, award presentations, institutional events and other official occasions. Through its product selection and customization services, Rizal Trophy Sdn. Bhd. aims to meet customers' requirements in terms of product specifications, design, personalization, quantity and delivery arrangements.

The company is committed to providing professional customer service, suitable product solutions and reliable order coordination to support the needs of its customers.

2. COMPANY BACKGROUND

Rizal Trophy Sdn. Bhd. operates in the awards, trophies, medals, and recognition products industry in Malaysia. Its business focuses on supplying products that recognize achievement, excellence, participation, appreciation, and significant milestones.

The company offers a variety of products to accommodate different event requirements and budgets, including ready-made awards and selected customized products.

Its business activities support organizations and individuals in sourcing suitable recognition items for formal ceremonies, sports events, corporate appreciation programmes, educational activities, and commemorative occasions.

The company continues to serve the market through its product offerings, customer service, and order fulfilment arrangements.

3. NATURE OF BUSINESS

The principal business activities of Rizal Trophy Sdn. Bhd. include:

1. Supply of trophies and achievement awards.
2. Supply of sports medals, participation medals and commemorative medals.
3. Supply of plaques, crystal awards and corporate recognition products.
4. Supply of customized awards and personalized presentation items.
5. Supply of commemorative gifts, selected gift items and presentation accessories.
6. Engraving, personalization and customization services, subject to product availability.
7. Supply of awards and recognition products for corporate, government, educational, sporting and private-sector events.
8. Coordination of orders, product preparation, collection and delivery arrangements.

4. PRODUCTS AND SERVICES

4.1 Trophies and Achievement Awards

A selection of trophies and cups for sporting competitions, tournaments, annual dinners, award ceremonies and achievement recognition programmes.

4.2 Medals

Medals for sports events, school competitions, corporate activities, participation recognition, and commemorative occasions.

4.3 Corporate Awards and Plaques

Recognition products for employee appreciation, long-service awards, corporate achievements, official presentations, and institutional recognition.

Selected crystal and premium awards for formal presentations, distinguished guests, corporate functions, and special recognition occasions.

4.5 Customized Products

Personalization options for selected products, including names, logos, event titles, inscriptions, and other approved specifications.

4.6 Commemorative and Presentation Items

Selected commemorative gifts, presentation accessories, and related products to meet customers' event and recognition requirements.

5. TARGET MARKETS

Rizal Trophy Sdn. Bhd. caters to various market segments, including:

- Federal and state government departments and agencies.
- Government-linked companies and statutory bodies.
- Private companies and corporate organizations.
- Schools, colleges, universities, and educational institutions.
- Sports associations, clubs, and event management companies.
- Non-governmental organizations and community organizations.
- Conference, exhibition, and event organizers.
- Individuals and organizations requiring customized awards and gifts.

6. BUSINESS OPERATIONS

The company's business operations involve product selection, customer enquiries, quotation preparation, order coordination, customization where applicable, and fulfilment of customer orders.

Its operations include:

- Product selection: Customers choose from available trophy, medal, plaque, and gift categories.
- Customization: Selected products can be personalized with logos, names, messages, and winner details, subject to product suitability.
- Order coordination: Customers communicate their requirements and request quotations through the sales team.
- Order preparation: Orders are prepared according to the agreed specifications and schedule.
- Delivery and collection: Customers can visit the company's showrooms, with delivery services available throughout Malaysia.

7. QUALITY AND CUSTOMER SERVICE COMMITMENT

Rizal Trophy Sdn. Bhd. aims to provide products and services that meet customers' stated requirements and expectations.

The company's service commitments include:

- Providing product information and quotations based on customer requirements.
- Assisting customers in selecting suitable products and designs.
- Coordinating customization requirements and approved artwork where applicable.
- Confirming product specifications and order quantities before fulfilment.
- Coordinating order preparation and delivery according to agreed schedules.
- Responding to customer enquiries and providing appropriate order assistance.

Specific quality certifications, inspection procedures, warranties, and service-level commitments should be stated separately where formally established and documented by the company.

8. CORPORATE GOVERNANCE AND BUSINESS CONDUCT

Rizal Trophy Sdn. Bhd. seeks to maintain professional business relationships with its customers, suppliers, and business partners.

In its commercial dealings, the company aims to uphold professionalism, transparency in quotations, responsible handling of orders, and compliance with applicable business requirements.

The company will provide relevant corporate registration documents, supplier declarations, tax information, and other supporting records as required by the prospective purchaser or contracting authority, subject to the company's actual registrations and eligibility.
