AbdulMuzi Architect

INTRODUCTION

Personnel

AbdulMuzi Architect was formed with the intention of bringing high quality **Architectural Design** that satisfy both aesthetic and technical requirements, and aim to be environmental sustainable.

The success of the company is built on the foundation of Ar. Abdul Muzi Haji Abdullah' s knowledge of the history and theories of Architecture and related art, technologies, and human sciences.

Ar. AbdulMuzi now has a large portfolio of design projects ranging from single building design, building refurbishments, resort design, residential design, mosque and commercial projects. Associate with the same aims rounder consultants in the success of a project.

Ar. AbdulMuzi Haji Abdullah is passionate about style and detail and carries with his knowledge of Architectural, Urban Design, Planning Process, Architectural Conservation, Traditional Heritage and value between people and buildings and between building and their environments and the need to relate buildings, Architectural building history and the spaces between them to human needs and scale.
