COMPANY PROFILE

QUALITY PRODUCTS COME WITH EXCELLENT SERVICES

ABOUT US

Tiara Ophir Sdn. Bhd. is Malaysia private limited company was established in 2011 to provide a specialized and professional engineering support and services to the flow control & piping products, instrumentation & filtration and steam & condensate system.

We are multi-line engineering equipment distributor representing some of the world's leading and internationally recognized manufacturers.

We have extensive experience supplying a wide range of industrial engineering products especially the Oil & Gas, Petrochemical, Chemical Industries in Malaysia and Southeast Asia region.

With over a decade of technical excellence, Tiara Ophir continues to evolve, exploring new opportunities to further contribute to Malaysia's industrial landscape.

OUR MILESTONES

2011 – Engineering Trading Tiara Ophir Sdn. Bhd. was established as a specialized engineering trading company, supplying high-quality equipment and components to the oil & gas, petrochemical, and industrial sectors.

2015 – Engineering Maintenance & Manpower Support In response to growing industry needs, we expanded into engineering maintenance, plant turnaround support, and technical manpower supply for PETRONAS Group.

2018 – Integrated Technical Services We strengthened our offerings by providing more integrated support, including instrumentation, filtration systems, steam solutions, and mechanical works across various industries.

2019 – Construction & EPCC Tiara Ophir embarked on a new chapter by entering the Construction and EPCC (Engineering, Procurement, Construction & Commissioning) space. Backed by our CIDB G7 certification and skilled engineering team, we now offer civil, mechanical, and infrastructure development services.
