

INTRODUCTION

R.A.M Architect was established in 1995 to provide professional architectural services for projects ranging from custom bungalows and factories to large scaled commercial and housing developments. Our services also include feasibility studies, architectural, planning and development ideas and proposal.

The primary goal of the firm is to deliver professionally executed projects on time and within budget. Apart from this, the firm also aspire to work within the architectural philosophy of good design methods and sound aesthetic judgement without compromising client needs.

The Principal and staff of **R.A.M Architect** are highly skilled, dedicated, experienced and from varied educational and professional background. They form the backbone of the firm's professional service and are prepared to undertake most architectural commissions.

DIRECTOR'S PROFILE

Ar. HAZLINDA HASHIM

principal

Ar. Hazlinda Hashim graduated with Bachelor of Arts (Hons) from Plymouth University in 1988 and later continued her second degree in Diploma in Architecture in 1991 from London Metropolitan University. She has also worked as an Architect at Nigel Upchurch Associates in Fulham, London during her year-out in 1988-89 and also during summer holidays until 1991.

Upon returning to Malaysia, she worked for TR Hamzah & Yeang Architects from 1991 – 1996. During these years, she was involved in several Bioclimatic Green Building design projects.

Ar. Hazlinda later started her Architectural firm, RAM Architect back in 1996 until today. She is a Corporate Member of both Lembaga Arkitek Malaysia (LAM) and Pertubuhan Arkitek Malaysia (PAM) since 1996 as Professional Architect and Interior Designer. She also a GBI registered Facilitator since 2010.

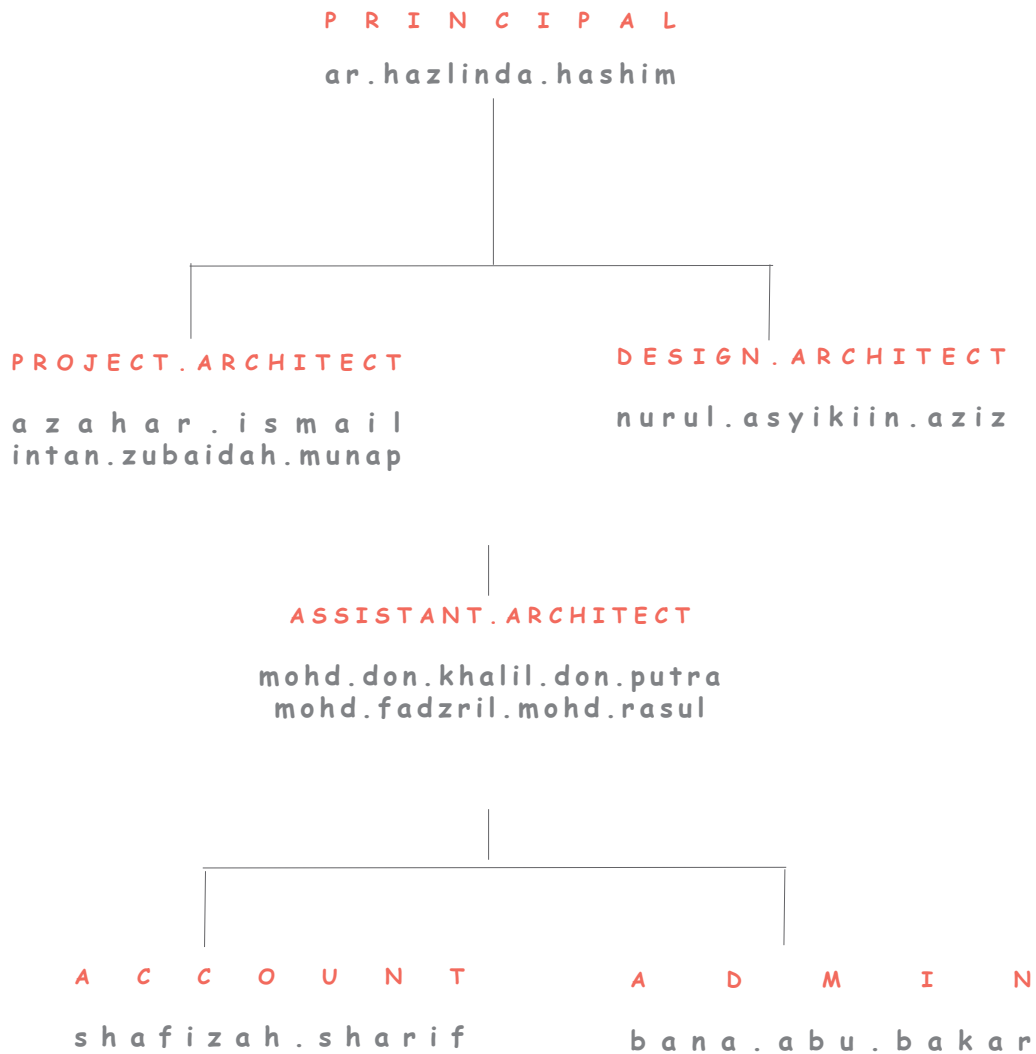

RAM Architect was established in 1996, a sole proprietor office at 3A -3A, Ukay Boulevard, Jalan Lingkaran Tengah 2, Ampang, Selangor. The firm had been involved in numerous residential, commercial projects and institutional projects.

The firm had also worked on healthcare projects ie. Hospital Daerah Pekan, Pahang (108-bed), completed in 2006, and also Sime Darby Ramsay Wellness Centre recently completed in 2014.

Some recent commercial projects include the newly completed 31-storey of Menara Majlis Bandaraya Kuala Terengganu in 2022, and also the 9-storey Standard Chartered Call Center at TPM Kuala Lumpur.

The firm was also involved as Architect for EPF Alor Setar & Melaka buildings, the Community Center in Taman Tun Dr. Ismail, KL and also several Petronas Stations including two Petronas Hyper Stations at Karak-Bentong Highway and Jalan Kolam Ayer, Ampang.
